5. PRIZE DIVISIONS

WINNING SELECTIONS FOR LOTTO

A Participant who, in respect of the numbers selected on any single Board Entry, matches the 'BONUS number' drawn in addition to two of the first six 'Main numbers' drawn, will be eligible for one of the prizes. For each additional 'Main number' that is drawn and matched by the Participant on the same Board Entry, they will increasingly become eligible for a prize in the highest prize category to which those numbers relate. The 'BONUS number' provides an extra chance for Participants to win prizes and four out of the eight Prize Divisions reward winners who match the 'BONUS number' drawn.

The LOTTO Prize Divisions are detailed as follows:

Prize Division 1 – MATCH 6 (The JACKPOT)

Means that on any single Board/Entry, the Participant has correctly matched all of the first 6 numbers drawn ("MATCH 6").

Prize Division 2 – MATCH 5 + BONUS number

Means that on any single Board/Entry, the Participant has correctly matched 5 of the first 6 numbers drawn and has also matched the 'BONUS number' drawn ("MATCH 5 + BONUS number").

Prize Division 3 – Match 5

Means that on any single Board/Entry, the Participant has correctly matched 5 of the first 6 numbers drawn but has not matched the 'BONUS number' drawn ("MATCH 5").

Prize Division 4 – MATCH 4 + BONUS number

Means that on any single Board/Entry, the Participant has correctly matched 4 of the first 6 numbers drawn and has also matched the 'BONUS number' drawn ("MATCH 4 + BONUS number").

Prize Division 5 – MATCH 4

Means that on any single Board/Entry, the Participant has correctly matched 4 of the first 6 numbers drawn but has not matched the 'BONUS number' drawn ("MATCH 4").

Prize Division 6 – MATCH 3 + BONUS number

Means that on any single Board/Entry, the Participant has correctly matched 3 of the first 6 numbers drawn and has also matched the 'BONUS number' drawn ("MATCH 3 + BONUS number").

Prize Division 7 – MATCH 3

Means that on any single Board/Entry, the Participant has correctly matched 3 of the first 6 numbers drawn but has not matched the 'BONUS number' drawn ("MATCH 3").

Prize Division 8 – MATCH 2 + BONUS number

Means that on any single Board/Entry, the Participant has correctly matched 2 of the first 6 numbers drawn and has also matched the 'BONUS number' drawn ("MATCH 2 + BONUS number").

6. PRIZE POOLS

6.1 Subject to rounding down, the amount allocated by ITHUBA UGANDA LIMITED, as approved by the NLGRB, to the Prize Pool Fund for payment of Prize(s) for a Draw ("Prize Fund") shall be 48% of the net fund of Entries into that Draw, or such larger amount as shall be determined by ITHUBA UGANDA LIMITED as approved by the NLGRB from time to time.

- 6.2 The Prize Pool Fund is split into 8 different Prize Pools and allocated for each of the 8 Prize Divisions described previously in section 5.
- 6.3 The Prize Pools with their percentage allocation of funds is shown in the Prize Table in section 7.
- 6.4 There are two types of prize payment calculations applied to the Prize Pools:
 - 6.4.1 Pari-Mutuel prize pools apply to Prize Divisions 1 through 6. This means that the Prize Pool designated for each Prize Division will be divided among all winning Ticket holders in that prize Division based on the number of winning Tickets they possess. For instance, if there is an allocation of UGX 600 million for the LOTTO Jackpot Prize Division and there are two winning Tickets, each winning Ticket holder will receive UGX 300 million.
 - 6.4.2 Fixed prize amounts guarantee that a prize never falls below a certain amount regardless of how many winners there are. Fixed prize amounts are paid for winners in Prize Division 7 and 8. The fixed prizes amounts payable per winning share are:
 - 6.4.2.1 UGX 10,000 per winning Entry for Prize Division 7, and
 - 6.4.2.2 UGX 4,000 per winning Entry for Prize Division 8.
 - 6.4.3 Fixed prizes are calculated prior to Pari-Mutuel Division calculations.
- 6.5 The allocation of the Prize Fund to each of the Pari-Mutuel Prize Divisions, as approved by the NLGRB, shall be in accordance with the following provisions:
 - 6.5.1 If the Division 1 (Jackpot) in a LOTTO Draw is not won then the prize pool allocated for this Division will be rolled over to the Division 1 (Jackpot) Division in the next LOTTO Draw by default.
 - 6.5.2 If there are no winners in a particular Prize Division between Prize Divisions 2 to 6, then the Prize Pool for that Prize Division will roll down (be added to) the Prize Division immediately below it, e.g. If there are no winners in Prize Division 4 then the Prize Pool for that Division is added to the Prize Pool for Prize Division 5.

6.5.3 In the Unlikely event that there are no winners in Prize Division 6 then the accumulated Prize Fund in that Prize Division will roll over (be added to) the Prize Division 1 for the next draw.

6.6 All winning prize share amounts shall be rounded to the nearest UGX 100 as follows: e.g. UGX 155 shall be rounded up to UGX 200, and UGX 143 shall be UGX 100.

6.7 Breakage (The amount left over after any rounding calculation) from any LOTTO Prize Division, will roll over to the same Prize Division in the next Draw.
